GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

When and where will the Annual Meeting be held?

The Annual Meeting will be held on Thursday, June 12, 2025 at 4:30 p.m. Eastern Time. The Annual Meeting will be a completely virtual meeting, which will be conducted via live webcast. You will be able to attend the Annual Meeting online and submit your questions during the meeting by visiting www.virtualshareholdermeeting.com/TKO2025 and entering your 16-digit control number included in your Notice of Internet Availability of Proxy Materials, on your proxy card or on the instructions that accompanied your proxy materials. If you lose your 16-digit control number, you may join the Annual Meeting as a “Guest” but you will not be able to vote or ask questions as of the close of business on April 17, 2025 (the “Record Date”).

What are the purposes of the Annual Meeting?

The purpose of the Annual Meeting is to vote on the following items described in this Proxy Statement:

- Proposal No. 1: Election of the director nominees listed in this Proxy Statement.
- Proposal No. 2: Ratification of the appointment of KPMG LLP as our independent registered public accounting firm for 2025.

Are there any matters to be voted on at the Annual Meeting that are not included in this Proxy Statement?

At the date this Proxy Statement went to press, we did not know of any matters to be properly presented at the Annual Meeting other than those referred to in this Proxy Statement. If other matters are properly presented at the meeting or any adjournment or postponement thereof for consideration, and you are a stockholder of record and have submitted a proxy card, the persons named in your proxy card will have the discretion to vote on those matters for you.

Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a paper copy of proxy materials?

The rules of the Securities and Exchange Commission (the “SEC”) permit us to furnish proxy materials, including this Proxy Statement and the Annual Report, to our stockholders by providing access to such documents on the Internet instead of mailing printed copies. Stockholders will not receive paper copies of the proxy materials unless they request them. Instead, the Notice of Internet Availability of Proxy Materials (the “Notice and Access Card”) provides instructions on how to access and review on the Internet all of the proxy materials. The Notice and Access Card also instructs you as to how to authorize, via the Internet or telephone, your proxy to vote your shares according to your voting instructions. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials described in the Notice and Access Card.

What does it mean if I receive more than one Notice and Access Card or more than one set of proxy materials?

It means that your shares are held in more than one account at the transfer agent and/or with banks or brokers. Please vote all of your shares. To ensure that all of your shares are voted, for each Notice and Access Card or set of proxy materials, please submit your proxy by phone, via the Internet, or, if you received printed copies of the proxy materials, by signing, dating and returning the enclosed proxy card in the enclosed envelope.

Can I vote my shares by filling out and returning the Notice and Access Card?

No. The Notice and Access Card identifies the items to be voted on at the Annual Meeting, but you cannot vote by marking the Notice and Access Card and returning it. If you would like a paper proxy card, you

should follow the instructions in the Notice and Access Card. The paper proxy card you receive will also provide instructions as to how to authorize via the Internet or telephone your proxy to vote your shares according to your voting instructions. Alternatively, you can mark the paper proxy card with how you would like your shares voted, sign the proxy card and return it in the envelope provided.

Who is entitled to vote at the Annual Meeting?

Holders of record of shares of our Common Stock as of the close of business on the Record Date will be entitled to notice of and to vote at the Annual Meeting and any continuation, postponement or adjournment thereof. At the close of business on the Record Date, there were 81,739,666 shares of our Class A common stock and 116,158,615 shares of our Class B common stock issued and outstanding and entitled to vote. Each share of Class A common stock and Class B common stock is entitled to one vote. The holders of Class A common stock and Class B common stock will vote together as a single class on all matters to be presented to stockholders at the Annual Meeting.

You will need to obtain your own Internet access if you choose to attend the Annual Meeting online and/or vote over the Internet.

To attend and participate in the Annual Meeting, you will need the 16-digit control number included in your Notice and Access Card, on your proxy card or on the instructions that accompanied your proxy materials. If your shares are held in “street name,” you should contact your bank or broker to obtain your 16-digit control number or otherwise vote through the bank or broker. If you lose your 16-digit control number, you may join the Annual Meeting as a “Guest” but you will not be able to vote or ask questions. The meeting webcast will begin promptly at 4:30 p.m. Eastern Time. We encourage you to access the meeting prior to the start time. Online check-in will begin at 4:15 p.m. Eastern Time, and you should allow ample time for the check-in procedures.

What is the difference between being a “record holder” and holding shares in “street name”?

A record holder (also called a “registered holder”) holds shares in his or her name. Shares held in “street name” means that shares are held in the name of a bank, broker or other nominee on the holder’s behalf.

What do I do if my shares are held in “street name”?

If your shares are held in a brokerage account or by a bank or other holder of record, you are considered the “beneficial owner” of shares held in “street name.” The Notice and Access Card or the proxy materials, if you elected to receive a hard copy, has been forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record on how to vote your shares by following their instructions for voting. Please refer to information from your bank, broker or other nominee on how to submit your voting instructions.

How many shares must be present to hold the Annual Meeting?

A quorum must be present at the Annual Meeting for any business to be conducted. The holders of a majority in voting power of the Company’s capital stock issued and outstanding and entitled to vote, present in person, or by remote communication, or represented by proxy constitutes a quorum. If you sign and return your paper proxy card or authorize a proxy to vote electronically or telephonically, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote as indicated in the proxy materials.

Broker non-votes will also be considered present for the purpose of determining whether there is a quorum for the Annual Meeting.

What are “broker non-votes”?

A “broker non-vote” occurs when shares held by a broker in “street name” for a beneficial owner are not voted with respect to a proposal because (1) the broker has not received voting instructions from the stockholder who beneficially owns the shares and (2) the broker lacks the authority to vote the shares at their discretion.

Under current NYSE interpretations that govern broker non-votes, Proposal No. 1 is considered a “non-routine” matter, and a broker will lack the authority to vote uninstructed shares at their discretion on this proposal. Proposal No. 2 is considered a “routine” matter, and a broker will be permitted to exercise its discretion to vote uninstructed shares on this proposal.

What if a quorum is not present at the Annual Meeting?

If a quorum is not present or represented at the scheduled time of the Annual Meeting, (i) the chairperson of the Annual Meeting or (ii) a majority in voting power of the stockholders entitled to vote at the Annual Meeting, present in person, or by remote communication, as applicable, or represented by proxy, may adjourn the Annual Meeting until a quorum is present or represented.

How do I vote my shares without attending the Annual Meeting?

We recommend that stockholders vote by proxy even if they plan to attend the Annual Meeting and vote electronically. If you are a stockholder of record, there are three ways to vote by proxy:

- by Telephone before the Annual Meeting—You can vote by telephone by calling 1-800-690-6903 and following the instructions on the proxy card;
- by Internet before the Annual Meeting—You can vote over the Internet at www.proxyvote.com by following the instructions on the Internet Notice or proxy card; or
- by Mail before the Annual Meeting—You can vote by mail by signing, dating and mailing the proxy card, which you may have received by mail.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on June 11, 2025.

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions on how to vote from the bank, broker or holder of record. You must follow the instructions of such bank, broker or holder of record in order for your shares to be voted.

How can I attend and vote at the Annual Meeting?

We will be hosting the Annual Meeting live via audio webcast. Any stockholder can attend the Annual Meeting live online at www.virtualshareholdermeeting.com/TKO2025. If you were a stockholder as of the Record Date, or you hold a valid proxy for the Annual Meeting, you can vote at the Annual Meeting. A summary of the information you need to attend the Annual Meeting online is provided below:

- Instructions on how to attend and participate via the Internet, including how to demonstrate proof of stock ownership, are posted at www.virtualshareholdermeeting.com/TKO2025.
- Assistance with questions regarding how to attend and participate via the Internet will be provided at www.virtualshareholdermeeting.com/TKO2025 on the day of the Annual Meeting.
- Webcast starts at 4:30 p.m. Eastern Time on June 12, 2025, and online check-in starts at 4:15 p.m. Eastern Time.

- You will need your 16-Digit Control Number to enter the Annual Meeting.
- Stockholders may submit questions while attending the Annual Meeting via the Internet.

To attend and participate in the Annual Meeting, you will need the 16-digit control number included in your Notice and Access Card, on your proxy card or on the instructions that accompanied your proxy materials. If your shares are held in “street name,” you should contact your bank or broker to obtain your 16-digit control number or otherwise vote through the bank or broker. If you lose your 16-digit control number, you may join the Annual Meeting as a “Guest” but you will not be able to vote or ask questions.

What if I have technical difficulties or trouble accessing the virtual meeting website during the check-in time or during the Annual Meeting?

We will have technicians ready to assist you with any technical difficulties you may have accessing the virtual meeting website. If you encounter any difficulties accessing the virtual meeting website during the check-in or meeting time, please call the technical support number that will be posted on the Annual Meeting login page.

Will I be able to ask questions at the Annual Meeting?

As part of the Annual Meeting, we will hold a live Q&A session, during which we intend to answer appropriate questions submitted during the meeting and that relate to the matters to be voted on. We intend to reserve up to ten minutes before the closing of the polls to address questions submitted. Only stockholders that have accessed the Annual Meeting as a stockholder (rather than a “Guest”) by following the procedures outlined above in “How can I attend and vote at the Annual Meeting?” will be able to submit questions during the Annual Meeting. Additionally, our Annual Meeting will follow “Rules of Conduct,” which will be available on our Annual Meeting webpage for stockholders that have accessed the Annual Meeting as a stockholder (rather than a “Guest”). Under these Rules of Conduct, a stockholder may ask up to two questions, and we will not address questions that are, among other things:

- irrelevant to the business of the Company or to the business of the Annual Meeting;
- related to material non-public information of the Company;
- related to personal grievances;
- derogatory references to individuals or that are otherwise in bad taste;
- repetitious statements already made by another stockholder;
- in furtherance of the stockholder’s personal or business interests; or
- out of order or not otherwise suitable for the conduct of the Annual Meeting as determined by the Chair or Corporate Secretary in their reasonable judgment.

Additional information regarding the Q&A session will be available in the “Rules of Conduct” available on the Annual Meeting webpage for stockholders that have accessed the Annual Meeting as a stockholder (rather than a “Guest”) by following the procedures outlined above in “How can I attend and vote at the Annual Meeting?”

How does the Board recommend that I vote?

The Board recommends that you vote:

- FOR the nominees to the Board set forth in this Proxy Statement.

- FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for 2025.

How many votes are required to approve each proposal?

The table below summarizes the proposals that will be voted on, the vote required to approve each item and how votes are counted:

| Proposal | Votes Required | Voting Options | Effect of “Withhold” or “Abstain” Votes | Effect of Broker Non-Votes |
|---|---|---|--|----------------------------------|
| Proposal No. 1: Election of Directors | The plurality of the votes cast. | “FOR ALL” “WITHHOLD ALL” “FOR ALL EXCEPT” | None | None |
| Proposal No. 2: Ratification of Appointment of Independent Registered Public Accounting Firm | The affirmative vote of the holders of a majority of the votes cast (excluding abstentions and broker non-votes). | “FOR” “AGAINST” “ABSTAIN” | None | None ⁽¹⁾ |

(1) As this proposal is considered a “routine” matter, brokers are permitted to exercise their discretion to vote uninstructed shares on this proposal. As a result, we do not expect any broker non-votes on this proposal.

What if I do not specify how my shares are to be voted?

If you submit a proxy but do not indicate any voting instructions, the persons named as proxies will vote in accordance with the recommendations of the Board. The Board’s recommendations are set forth above, as well as with the description of each proposal in this Proxy Statement.

Who will count the votes?

Representatives of Broadridge Investor Communications Services (“Broadridge”) will tabulate the votes, and a representative of Broadridge will act as inspector of election.

Can I revoke or change my vote after I submit my proxy?

Yes. Whether you have voted by Internet, telephone or mail, if you are a stockholder of record, you may change your vote and revoke your proxy by:

- sending a written statement to that effect to the attention of our Secretary at our corporate offices, provided such statement is received no later than June 11, 2025;
- voting again by Internet or telephone at a later time before the closing of those voting facilities at 11:59 p.m., Eastern time, on June 11, 2025;
- submitting a properly signed proxy card with a later date that is received no later than June 11, 2025; or
- attending the Annual Meeting, revoking your proxy and voting again.

If you hold shares in street name, you may submit new voting instructions by contacting your bank, broker or other nominee. You may also change your vote or revoke your proxy at the Annual Meeting if you obtain a signed proxy from the record holder (broker, bank or other nominee) giving you the right to vote the shares.

Your most recent proxy card or telephone or Internet proxy is the one that is counted. Your attendance at the Annual Meeting by itself will not revoke your proxy unless you give written notice of revocation to the Company before your proxy is voted or you vote at the Annual Meeting.

Who will pay for the cost of this proxy solicitation?

We will pay the cost of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees (for no additional compensation) in person or by telephone, electronic transmission and facsimile transmission. Brokers and other nominees will be requested to solicit proxies or authorizations from beneficial owners and will be reimbursed for their reasonable expenses.

Why hold a virtual meeting?

We wish to provide expanded access, improved communication and cost savings for our stockholders and the Company while providing stockholders the same rights and opportunities to participate as they would have at an in-person meeting. Furthermore, as part of our effort to maintain a safe and healthy environment for our directors, members of management and stockholders who wish to attend the Annual Meeting, we believe that hosting a virtual meeting is in the best interest of the Company and its stockholders and enables increased stockholder attendance and participation because stockholders can participate in a virtual meeting from any location around the world.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

Board Size and Structure

We currently have 12 directors serving on the Board. Each director is to hold office for a term expiring at the Company's next annual meeting of stockholders and until his or her respective successor is duly elected and qualified or until his or her earlier death, resignation, retirement, disqualification or removal.

We are party to the Governance Agreement, which provides, among other things, that, subject to the rights to designate a replacement as otherwise set forth therein, the Board has the right to designate nominees for election at annual stockholder meetings for, or to fill vacancies in, all director positions.

Pursuant to the Governance Agreement, the size of our Board is set at 13 directors. The EGH Subscribers are currently entitled to designate seven directors (the "EGH Designees"), and WWE's initial director designees or their successors, as applicable, are currently entitled to designate six directors (the "WWE Designees"), as described below, in each case subject to specified conditions as described below under "Certain Transactions with Related Persons—Governance Agreement." The Governance Agreement provides that, until December 31, 2025 (the "Sunset Date"), our slate of individuals nominated for election to the Board must include all WWE Designees, at least three of whom must qualify as "independent" as defined under the Company's amended and restated bylaws (the "Bylaws") and described below under "Corporate Governance—Director Independence." The Governance Agreement also provides that, until the Sunset Date, there shall be seven EGH Designees, and, until the date on which Endeavor Group Holdings, Inc. no longer owns, directly or indirectly, more than 20% in the aggregate of the voting power of the then-outstanding shares of capital stock of TKO Group Holdings, Inc., the slate of individuals nominated for election to the Board must include the EGH Designees, provided that the EGH Designees shall at all times include at least three independent directors. Designation rights with respect to the EGH Designees and the WWE Designees expire on the Sunset Date.

For so long as any nominating person has the right to designate an EGH Designee or a WWE Designee, in the event that (a) a vacancy is created at any time by the death, disability, retirement, resignation or removal of an EGH Designee or a WWE Designee or (b) an individual is disqualified by the Board or the Nominating and Corporate Governance Committee (the "Nominating Committee"), then the applicable nominating person may designate another individual as its designee to either fill the applicable vacancy or be included on the slate of nominees to be recommended by the Board for election at its next meeting of the stockholders, and TKO Group Holdings, Inc. will take all necessary action within its control so that each replacement nominee is nominated and elected to the Board.

Each of Egon P. Durban, Ariel Emanuel, Bradley A. Keywell, Jonathan A. Kraft, Sonya E. Medina, Mark Shapiro and Carrie Wheeler serve as the EGH Designees, and each of Peter C.B. Bynoe, Dwayne Johnson, Nick Khan, Steven R. Koonin, and Nancy R. Tellem serve as the WWE Designees. The WWE Designees have not designated a sixth director to fill the vacancy resulting from the former Executive Chair's departure.

Subject to the Governance Agreement, our Certificate of Incorporation provides that any director may be removed with or without cause by the affirmative vote of holders representing of at least a majority of the total voting power of our issued and outstanding capital stock, voting together as a single class. Designation rights with respect to the EGH Designees and the WWE Designees and other appointment provisions expire on the Sunset Date, and, other than certain provisions that will survive under the Governance Agreement, the Governance Agreement will terminate pursuant to its terms at 12:01 a.m., Eastern Time, on January 1, 2026, the day following the Sunset Date. See "Certain Transactions with Related Persons—Governance Agreement."

PROPOSAL NO. 2—RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Appointment of Independent Registered Public Accounting Firm

The audit committee appoints our independent registered public accounting firm. In this regard, the audit committee evaluates the qualifications, performance and independence of our independent registered public accounting firm and determines whether to re-engage our current firm. As part of its evaluation, the audit committee considers, among other factors, the quality and efficiency of the services provided by the firm, including the performance, technical expertise, industry knowledge and experience of the lead audit partner and the audit team assigned to our account; the overall strength and reputation of the firm; the firm's global capabilities relative to our business; and the firm's knowledge of our operations. KPMG LLP ("KPMG") has served as our independent registered public accounting firm since 2024. Neither the accounting firm nor any of its members has any direct or indirect financial interest in or any connection with us in any capacity other than as our auditors and providing audit and permissible non-audit-related services. Upon consideration of these and other factors, the audit committee has appointed KPMG to serve as our independent registered public accounting firm for the year ending December 31, 2025.

Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of KPMG to our stockholders for ratification because we value our stockholders' views on the Company's independent registered public accounting firm and it is a good corporate governance practice. If our stockholders do not ratify the selection, it will be considered as notice to the Board and the audit committee to consider the selection of a different firm. Even if the selection is ratified, the audit committee, in its discretion, may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Representatives of KPMG are expected to attend the Annual Meeting and to have an opportunity to make a statement and be available to respond to appropriate questions from stockholders.

Change in Independent Registered Public Accounting Firm

As previously reported in our Current Report on Form 8-K, filed with the SEC on August 8, 2024 (the "Form 8-K"), upon the completion of a comprehensive selection process, the Audit Committee notified Deloitte & Touche LLP ("Deloitte") that, effective upon the filing of the Company's Quarterly Report on Form 10-Q for the quarterly period ending June 30, 2024 with the SEC, Deloitte would be dismissed as the Company's independent registered public accounting firm. On the same date, the Company appointed KPMG as its independent registered public accounting firm for the fiscal year ending December 31, 2024. The Company elected to change auditors in order to preemptively address specific auditor independence implications under the rules of the SEC that would result upon consummation of the take-private acquisition of Endeavor Group Holdings, Inc. by Silver Lake and other co-investors, which occurred on March 24, 2025, and the auditor change was not the result of work performed by Deloitte or matters involving the Company's financial statements. The reports of Deloitte on the Company's consolidated financial statements for the fiscal years ended December 31, 2022 and 2023, did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. In the fiscal years ended December 31, 2022 and 2023, and in the subsequent interim period through August 8, 2024, there were no: (1) "disagreements" (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) between the Company and Deloitte on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which, if not resolved to the satisfaction of Deloitte, would have caused Deloitte to make reference to the matter in its report on the consolidated financial statements for such years, or (2) "reportable events" (as described in Item 304(a)(1)(v) of Regulation S-K).

We provided Deloitte with a copy of the disclosures contained in the Form 8-K and requested that Deloitte furnish us with a letter addressed to the SEC stating whether it agrees with the statements contained therein. A copy of Deloitte's letter, dated August 8, 2024, was filed as Exhibit 16.1 to the Form 8-K.

During the fiscal years ended December 31, 2022 and 2023, and the subsequent interim period through August 8, 2024, neither the Company nor anyone on its behalf consulted with KPMG with respect to (a) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company’s consolidated financial statements, and neither a written report nor oral advice was provided to the Company that KPMG concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue, or (b) any matter that was either the subject of a “disagreement” (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a “reportable event” (as described in Item 304(a)(1)(v) of Regulation S-K).

Audit, Audit-Related, Tax and All Other Fees

The following table presents aggregate fees billed to us for the year ended December 31, 2024 by our independent registered public accounting firm, KPMG:

| Audit-Related Fees | 250,000 |
| Tax Fees | - |
| All Other Fees | - |
| Total | \$ 2,998,600 |

Audit Fees

Audit fees in 2024 consisted of fees for the audit of the Company’s annual consolidated financial statements included in the Company’s Annual Report on Form 10-K and the reviews of the Company’s interim consolidated financial statements included in the Company’s Quarterly Reports on Form 10-Q filed after the appointment of KPMG.

Audit-Related Fees

Audit-related fees in 2024 consisted of professional services related to the Endeavor Asset Acquisition.

Audit Committee Pre-Approval Policy and Procedures

The formal written charter for our audit committee requires that the audit committee pre-approve all audit services to be provided to us and all other services (review, attest and non-audit) to be provided to us by our independent registered public accounting firm, other than de minimis non-audit services approved in accordance with applicable SEC rules.

The audit committee has adopted a policy (the “Pre-Approval Policy”) that sets forth the procedures and conditions pursuant to which audit and non-audit services proposed to be performed by our independent registered public accounting firm may be pre-approved. The Pre-Approval Policy generally provides that the audit committee will not engage our independent registered public accounting firm to render any audit, audit-related, tax or permissible non-audit service unless the service is either (i) explicitly approved by the audit committee (“specific pre-approval”) or (ii) entered into pursuant to the pre-approval policies and procedures described in the Pre-Approval Policy (“general pre-approval”). Unless a type of service to be provided by our independent registered public accounting firm has received general pre-approval under the Pre-Approval Policy, it requires specific pre-approval by the audit committee or by a designated member of the audit committee to whom the committee has delegated the authority to grant pre-approvals.

The chairperson of the audit committee, to whom the audit committee has delegated authority to make pre-approval decisions requested between meetings of the audit committee, must report any such pre-approval decisions to the audit committee at its next scheduled meeting. If circumstances arise where it becomes necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval categories or above the pre-approved amounts, the audit committee requires pre-approval for such additional services or such additional amounts. Any proposed services exceeding pre-approved cost levels or budgeted amounts will also require specific pre-approval. For both types of pre-approval, the audit committee will consider whether such services are consistent with the SEC's rules on auditor independence.

Board Recommendation

The Board unanimously recommends a vote FOR the ratification of the appointment of KPMG as our independent registered public accounting firm for 2025.

Audit Committee Report

The audit committee operates pursuant to a charter which is reviewed annually by the audit committee. Additionally, a brief description of the primary responsibilities of the audit committee is included in this Proxy Statement under the discussion of “Corporate Governance—Audit Committee.” Under the audit committee charter, management is responsible for the preparation, presentation and integrity of the Company’s financial statements, the application of accounting and financial reporting principles and our internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for auditing our financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States.

In the performance of its oversight function, the audit committee reviewed and discussed with management and KPMG, as the Company’s independent registered public accounting firm, the Company’s audited financial statements for the fiscal year ended December 31, 2024. The audit committee also discussed with the Company’s independent registered public accounting firm the matters required to be discussed by applicable standards of the Public Company Accounting Oversight Board (the “PCAOB”) and the SEC. In addition, the audit committee received and reviewed the written disclosures and the letters from the Company’s independent registered public accounting firm required by applicable requirements of the PCAOB regarding such independent registered public accounting firm’s communications with the audit committee concerning independence, and discussed with the Company’s independent registered public accounting firm their independence from the Company.

Based upon the review and discussions described in the preceding paragraph, the audit committee recommended to the Board that the Company’s audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2024 filed with the SEC.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

Our Board has adopted Corporate Governance Guidelines. A copy of these Corporate Governance Guidelines can be found in the “Governance—Governance Documents” section of the “Investors” page of our website located at www.TKOgrp.com, or by writing to our Secretary at our offices at 200 Fifth Avenue, 7th Floor, New York, NY 10010. Among the topics addressed in our Corporate Governance Guidelines are:

| | |
|--|---|
| • Director independence | • Board access to senior management |
| • Executive sessions of non-management directors | • Board access to advisors |

Board Leadership Structure

Our Corporate Governance Guidelines provide our Board with flexibility to combine or separate the positions of Chairperson of the Board and Chief Executive Officer in accordance with its determination that utilizing one or the other structure would be in the best interests of the Company and its stockholders. If the Chairperson of the Board is a member of management or does not otherwise qualify as independent, our Corporate Governance Guidelines provide that the independent directors of the Board may appoint a lead independent director (the “Lead Director”). The Lead Director’s responsibilities include, but are not limited to: presiding over all meetings of the Board at which the Chairperson of the Board is not present, including any executive sessions of the independent directors; approving Board meeting schedules and agendas; and acting as the liaison between the independent directors and the Chief Executive Officer and Chairperson of the Board. Our Corporate Governance Guidelines provide that, at such times as the Chairperson of the Board qualifies as independent, the Chairperson of the Board will serve as Lead Director.

Our Chief Executive Officer, Ariel Emanuel, serves as Executive Chairman of the Board, and Steven R. Koonin serves as Lead Director, a structure that the Board believes is currently in the best interests of the Company and its stockholders. The Board considered its leadership structure and believes that the Company and its stockholders are best served by having Mr. Emanuel serve as both Executive Chairman of the Board and Chief Executive Officer, with Mr. Koonin as Lead Director. The Board believes that this structure gives the Board and management unified leadership and direction, and is tailored to present a single, clear focus for the execution of the Company’s strategic initiatives and business plans. In addition, because Mr. Emanuel manages the day-to-day operations of the Company and is responsible for executing the Company’s business strategy, the Board believes it is most functional and efficient that Mr. Emanuel presides at the meetings of the Board. In addition, a strong, independent Lead Director with clearly defined duties and responsibilities can help further enhance the contributions of the Company’s independent directors, and Mr. Koonin’s extensive executive leadership experience with media entertainment and consumer brands together with his bench of experience serving on

public company boards helps play a pivotal role as independent Lead Director in administering the Board's risk oversight responsibility. For these reasons, the Board has concluded that our current leadership structure is appropriate at this time.

We recognize that different leadership structures may be appropriate for companies in different situations, and that the appropriate leadership structure may vary based on several factors, such as a company's size, industry, operations, history and culture. We believe that no one structure is suitable for all companies. Accordingly, the Board will continue to periodically review our leadership structure in light of these factors and the then-current environment and make such changes in the future as it deems appropriate and in the best interests of the Company and its stockholders.

Controlled Company Exemption

Because Endeavor Group Holdings, Inc. controls more than 50% of our combined voting power for the election of directors, we are considered a "controlled company" for the purposes of the NYSE's rules and corporate governance standards. As a "controlled company," we are permitted to, and intend to, elect not to comply with certain corporate governance requirements of the NYSE, for example, those that would otherwise require that we establish a nominating and corporate governance committee composed entirely of independent directors. Additionally, we may elect to rely on additional exemptions for so long as we remain a "controlled company." Accordingly, holders of our Class A common stock will not have the same protections afforded to stockholders of companies that are subject to all of the rules and corporate governance standards of NYSE, and the ability of our independent directors to influence its business policies and affairs may be reduced.

Director Independence

Under our Bylaws, a director qualifies as "independent" if such director (a) is qualified as an independent director under the NYSE rules and (b) is not (x) an affiliate, equity security or interest holder, partner, member (in the case of each of the foregoing other than in respect of less than 5% of the voting or economic interest of the applicable person) of TKO OpCo, Endeavor Group Holdings, Inc., TKO or any of their respective affiliates and (y) any employee, director, officer, or an immediate member of family (as applicable) of any person described in (x) or of TKO OpCo, Endeavor Group Holdings, Inc. or any of their respective affiliates.

Under the NYSE rules, a director is not independent unless the Board affirmatively determines that he or she does not have a direct or indirect material relationship with us or any of our subsidiaries. In addition, the director must meet the bright-line tests for independence set forth by the NYSE rules. The Board has undertaken a review of its composition, the composition of its committees and the independence of our directors and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities as well as the independence of such directors under our Bylaws. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, the Board has determined that none of Mr. Bynoe, Mr. Keywell, Mr. Koonin, Mr. Kraft, Ms. Medina, Ms. Tellem and Ms. Wheeler, seven of our 12 directors, has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors qualifies as "independent" as that term is defined under the rules of the NYSE and under our Bylaws. In making these determinations, the Board considered the relationships that each non-employee director has with us and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the director's beneficial ownership of our common stock and the relationships of our non-employee directors with certain of our significant stockholders. In making the director independence determinations regarding Mr. Koonin, the Board considered that he serves as the Chief Executive Officer of Atlanta's State Farm Arena, which hosts certain of our live events in the ordinary course of business, on arm's-length terms and in amounts and under other circumstances (including that Mr. Koonin had no direct or indirect material interest in the transactions) that the Board determined did not affect Mr. Koonin's independence.

Structure of the Board of Directors

Pursuant to the Governance Agreement, the size of our Board is set at 13 directors. Endeavor Group Holdings, Inc. currently is entitled to designate seven EGH Designees and WWE's initial designees or their successors, as applicable, currently are entitled to designate six WWE Designees, in each case, subject to specified conditions as described below under "Certain Transactions with Related Persons—Governance Agreement." Designation rights with respect to the EGH Designees and WWE Designees will expire on the Sunset Date. The Governance Agreement provides that, until the Sunset Date, our slate of individuals nominated for election to the Board must include all WWE Designees, three of whom must qualify as "independent" as defined under the Bylaws and described below under "Corporate Governance—Director Independence." The Governance Agreement also provides that, until the date on which Endeavor Group Holdings, Inc. no longer owns, directly or indirectly, more than 20% in the aggregate of the voting power of the then-outstanding shares of capital stock of TKO Group Holdings, Inc., the slate of individuals nominated for election to the Board must include the EGH Designees, provided that the EGH Designees shall at all times include at least three independent directors.

For so long as any nominating person has the right to designate an EGH Designee or a WWE Designee, in the event that (a) a vacancy is created at any time by the death, disability, retirement, resignation or removal of an EGH Designee or a WWE Designee or (b) an individual is disqualified by the Board or the nominating and corporate governance committee, then the applicable nominating person may designate another individual as its designee to either fill the applicable vacancy or be included on the slate of nominees to be recommended by the Board for election at its next meeting of the stockholders, and TKO Group Holdings, Inc. will take all necessary action within its control so that each replacement nominee is nominated and elected to the Board.

Each of Egon P. Durban, Ariel Emanuel, Bradley A. Keywell, Jonathan A. Kraft, Sonya E. Medina, Mark Shapiro and Carrie Wheeler are the EGH Designees, and each of Peter C.B. Bynoe, Dwayne Johnson, Nick Khan, Steven R. Koonin, and Nancy R. Tellem are the WWE Designees. The WWE Designees have not designated a sixth director following the departure of the former Executive Chairman.

For further information regarding the Governance Agreement and the structure of the Board, see "Certain Transactions with Related Persons—Governance Agreement."

Board Committees

Our Board of Directors has three standing committees: an Audit Committee, a Compensation Committee and a Nominating Committee, each of which has the composition and the responsibilities described below. In addition, from time to time, special committees may be established under the direction of our Board when necessary to address specific issues. Each of the Audit Committee, the Compensation Committee and the Nominating Committee operates under a written charter.

(1) Lead Independent Director

Audit Committee

Our Audit Committee is responsible for overseeing our corporate accounting and financial reporting process and assisting the Board in its oversight of (i) the quality and integrity of the Company's financial statements; (ii) the Company's compliance with legal and regulatory requirements; (iii) the independent auditor's qualifications, performance and independence; and (iv) the design and implementation of the Company's internal audit function and the performance of the Company's internal audit function. The Audit Committee is responsible for, among other things:

- appointing, compensating, retaining and overseeing the work of our independent auditor;
- discussing with our independent auditor any audit problems or difficulties and management's response;
- pre-approving all audit and non-audit services provided to us by our independent auditor (other than those provided pursuant to appropriate preapproval policies established by the Audit Committee or exempt from such requirement under SEC rules);
- reviewing and discussing our annual and quarterly financial statements with management and our independent registered public accounting firm;
- discussing and reviewing our periodic assessment of our key risk areas and providing oversight and accountability with respect to the execution of appropriate plans to mitigate and/or address such risks; and
- establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters, and for the confidential and anonymous submission by our employees of concerns regarding questionable accounting or auditing matters.

The Audit Committee may delegate its authority under its charter to one or more subcommittees as it deems appropriate from time to time. The Audit Committee has the authority to engage independent legal, accounting and other advisors as it deems necessary or appropriate to assist in carrying out its responsibilities, and we must pay the compensation of such advisors.

The members of our Audit Committee are Ms. Tellem, Ms. Wheeler and Ms. Medina, with Ms. Wheeler serving as chair. All members of our Audit Committee meet the requirements for financial literacy under the applicable rules and regulations of the NYSE. Our Board has affirmatively determined that each of Ms. Tellem, Ms. Wheeler and Ms. Medina qualifies as “independent” under NYSE’s additional standards applicable to audit committee members and Rule 10A-3 of the Exchange Act. In addition, our Board has determined that Ms. Wheeler qualifies as an “audit committee financial expert,” as such term is defined in Item 407(d)(5) of Regulation S-K.

Compensation Committee

Our Compensation Committee (i) oversees the discharge of the responsibilities of the Board relating to the Company’s compensation policies, plans and programs and (ii) reviews and assists in the determination of the compensation to be paid to executive officers and directors, as applicable. Specific responsibilities of the Compensation Committee include, among other things:

- reviewing and approving (or making recommendations to the Board to approve) the salary, cash incentive compensation, equity-based awards and employment agreement of the Company’s Chief Executive Officer (the “CEO”);
- reviewing and making recommendations to the Chief Executive Officer for approval regarding the salary and cash incentive compensation for the executive officers of the Company, other than the CEO;
- reviewing, considering the recommendation of the CEO, and approving of the equity-based compensation of the executive officers of the Company other than the CEO (excluding such equity-based compensation that is subject to approval by the Board for purposes of exempting such transactions under Rule 16b-3 under the Exchange Act; and
- reviewing and recommending to the Board the compensation of directors.

The members of our Compensation Committee are Mr. Bynoe, Mr. Koonin and Ms. Medina, with Mr. Koonin serving as chair. Our Board has determined that each of Mr. Bynoe, Mr. Koonin and Ms. Medina qualifies as “independent” under NYSE’s additional standards applicable to compensation committee members and is a “non-employee director” as defined in Section 16b-3 of the Exchange Act.

The Compensation Committee generally considers the Chief Executive Officer’s recommendations when making decisions regarding the equity compensation of the Company’s executive officers (other than the Chief Executive Officer) and will review and make recommendations to the Chief Executive Officer for approval the salary and cash incentive compensation for such other executive officers. The Compensation Committee will review, consider the recommendation of the CEO and approve the equity-based compensation for such other executive officers. For additional information, see “Executive Compensation—Compensation Discussion and Analysis—Setting Executive Compensation.” The Compensation Committee may also delegate its authority under its charter to one or more subcommittees as it deems appropriate from time to time. The Compensation Committee has the authority to engage independent legal, accounting and other advisors as it deems necessary or appropriate to assist in carrying out its responsibilities, and we must pay the compensation of such advisors.

Compensation Consultants

In accordance with its authority, the Compensation Committee engaged Pay Governance LLC (“Pay Governance”) regarding executive compensation for our named executive officers and as described under

“Executive Compensation—Compensation Discussion and Analysis—Setting Executive Compensation.” In addition, Mercer (US) LLC, a wholly owned subsidiary of Marsh & McLennan Companies (“Mercer”), which had been engaged by the Compensation Committee regarding executive compensation for our named executive officers following the TKO Transactions, provided some services in 2024 with respect to prior year compensation. The Compensation Committee evaluated whether the work provided by Pay Governance and by Mercer raised any conflict of interest for services performed during 2024 and determined that it did not.

Additionally, during 2024, neither Pay Governance nor Mercer provided any services to us other than regarding executive and director compensation and broad-based plans that do not discriminate in scope, terms, or operation, in favor of our executive officers or directors, and that are available generally to all salaried employees.

Nominating and Corporate Governance Committee

Our Nominating Committee is responsible for overseeing the selection of persons to be nominated to serve on the Board. The Nominating Committee will consider persons identified by its members, directors, executive officers, shareholders and others. Specific responsibilities of the Nominating Committee include, among other things and subject to the provisions of the Company’s organizational documents and the Governance Agreement:

- identifying and evaluating candidates, including the nomination of incumbent directors for re-election and nominees recommended by stockholders, to serve on the Board;
- considering and making recommendations to the Board regarding the composition and chairmanship of the committees of the Board and its committees;
- developing and making recommendations to the Board regarding corporate governance guidelines; and
- overseeing periodic evaluations of the performance of the Board, including its individual directors and committees.

The members of our Nominating Committee are Mr. Emanuel, Mr. Khan and Mr. Shapiro, with Mr. Shapiro serving as Chair. As a “controlled company” within the meaning of NYSE rules, the Company is permitted to, and has elected to, not comply with the requirement to establish a nominating and corporate governance committee composed of entirely independent directors.

Board of Directors and Committee Meetings and Attendance

During fiscal year 2024, our Board met seven times, the Audit Committee met four times, the Compensation Committee met four times and the Nominating Committee did not meet. In 2024, each of our incumbent directors attended at least 75% of the meetings of the Board and committees on which he or she then served as a member, with the exception of Mr. Johnson, who was unable to attend several board meetings due to prior business commitments made prior to Mr. Johnson’s appointment to the Board, which could not be rescheduled.

Executive Sessions

At least once a year, the independent directors meet in an executive session that excludes management and any non-independent directors. A director designated by the independent directors presides at the executive sessions. In addition, the non-management directors meet at regularly scheduled executive sessions.

Director Attendance at Annual Meeting of Stockholders

We do not have a formal policy regarding the attendance of our Board members at our annual meetings of stockholders, but we expect all directors to make every effort to attend any meeting of stockholders. Eight of our directors attended our annual meeting of stockholders held in 2024.

Director Nominations Process

Subject to the applicable provisions of the Governance Agreement, the Nominating Committee is responsible for nominating candidates to serve on the Board and its committees. In considering whether to nominate any particular candidate to serve on the Board or its committees, the Nominating Committee considers the criteria set forth in our Corporate Governance Guidelines.

Specifically, the Nominating Committee considers candidates of high integrity and good judgment who have a record of accomplishment in their chosen fields, and who display the independence of mind and strength of character to effectively represent the best interests of all stockholders and provide practical insights and diverse perspectives and may take into account many factors, including, but not limited to: personal and professional integrity, ethics and values; experience in corporate management, such as serving as an officer or former officer of a publicly held company; strong finance experience; relevant social policy concerns; experience relevant to the Company's industry; experience as a board member or executive officer of another publicly held company; relevant academic expertise or other proficiency in an area of the Company's operations; diversity of expertise and experience in substantive matters pertaining to the Company's business relative to other Board members; diversity of background and perspective; practical and mature business judgment, including, but not limited to, the ability to make independent analytical inquiries; and any other relevant qualifications, attributes or skills. In determining whether to recommend a director for re-election, the Nominating Committee may also consider the director's tenure, performance, past attendance at meetings and participation in and contributions to the activities of the Board and its committees. We aim to review a variety of qualified candidates from different backgrounds, and do not have a formal diversity policy. The Nominating Committee evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that has the necessary tools to perform its oversight function effectively in light of the Company's business and structure. In determining whether to recommend a director for re-election, the Nominating Committee may also consider potential conflicts of interest with the candidates' other personal and professional pursuits.

In identifying prospective director candidates, the Nominating Committee may seek referrals from other members of the Board, management, stockholders and other sources, including third party recommendations. The Nominating Committee also may, but need not, retain a third-party search firm in order to assist it in identifying candidates to serve as directors of the Company. The Nominating Committee uses the same criteria for evaluating candidates regardless of the source of the referral or recommendation. When considering director candidates, the Nominating Committee seeks individuals with backgrounds and qualities that, when combined with those of our incumbent directors, provide a blend of skills and experience to further enhance the Board's effectiveness. In connection with its annual slate of nominees, the Nominating Committee also may assess the contributions of those directors recommended for re-election in the context of the Board evaluation process and other perceived needs of the Board. Each of the director nominees to be elected at the Annual Meeting was evaluated in accordance with our standard review process for director candidates in connection with their initial appointment and their nomination for re-election at the Annual Meeting.

When considering whether the directors and nominees have the experience, qualifications, attributes and skills, taken as a whole, to enable the Nominating Committee to satisfy its oversight responsibilities effectively in light of our business and structure, the Nominating Committee focused primarily on the information discussed in each of the Board member's biographical information set forth above. We believe that our directors provide an appropriate mix of experience and skills relevant to the size and nature of our business. This process resulted in the Nominating Committee's nomination of the incumbent directors named in this Proxy Statement and proposed for election by you at the Annual Meeting.

The Nominating Committee will consider director candidates recommended by stockholders. The Nominating Committee will review and evaluate information available to it regarding candidates proposed by stockholders and will apply the same criteria and follow substantially the same process in considering them as it does in considering other director candidates. Stockholders wishing to propose a candidate for consideration may do so by submitting their recommendation to the attention of the Secretary, TKO Group Holdings, Inc., 200 Fifth Avenue, 7th Floor, New York, New York 10010.

Board Role in Risk Oversight

The Board of Directors has overall responsibility for risk oversight, including, as part of regular meetings, general oversight of executives' management of risks relevant to the Company. A fundamental part of risk oversight is not only understanding the material risks a company faces and the steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the Company. The involvement of the directors in reviewing our business strategy is an integral aspect of the directors' assessment of management's tolerance for risk and its determination of what constitutes an appropriate level of risk for the Company. The Board has overall responsibility for risk oversight, and, on an ongoing basis, review key long- and short-term material risks, and are supported in this function primarily by its committees.

The Audit Committee assists with risk oversight by periodically reviewing our accounting, reporting and financial practices, including the integrity of our financial statements and internal control over financial reporting and disclosure controls and procedures, the surveillance of administrative and financial controls, our compliance with legal and regulatory requirements, our cybersecurity risk and other risks affecting the Company. Through its regular meetings with management and relevant Company personnel, including, for example, the finance, legal, internal audit, tax, compliance and information technology functions, the Audit Committee reviews and discusses significant areas of our business and summarizes for the Board areas of risk and the appropriate mitigating factors. In addition, the Board regularly receives detailed operating performance reviews, including with respect to existing and emerging material risks, from management.

Committee Charters and Corporate Governance Guidelines

Our Corporate Governance Guidelines, charters of the Audit Committee, Compensation Committee and Nominating Committee and other corporate governance information are available under the Governance section of the Investor page of our website, *investor.tkogrp.com*, or by writing to our Secretary at our offices at 200 Fifth Avenue, 7th Floor, New York, NY 10010.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics (the "TKO Code") applicable to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller and persons performing similar functions. In addition, (i) those employed by Zuffa LLC, which owns and operates the Ultimate Fighting Championship, and its subsidiaries and by Trans World International, LLC and its subsidiaries, which own and operate the Professional Bull Riders, On Location, IMG and other businesses, are also subject to the Endeavor Group Holdings, Inc. Code of Conduct (the "Endeavor Code"), and (ii) those employed by WWE and its subsidiaries are also subject to WWE's Code of Business Conduct (the "WWE Code"). A copy of each of the foregoing-referenced codes are available on or through the Investor page of our website, *investor.tkogrp.com*. We intend to make any legally required disclosures regarding amendments to, or waivers of, provisions of the TKO Code on our website rather than by filing a Current Report on Form 8-K.

Anti-Hedging Policy

We have adopted an Insider Trading Compliance Policy (the "Insider Trading Policy"), which applies to all of our directors, officers and employees. The policy, among other things, prohibits our directors, officers and employees from purchasing financial instruments, such as prepaid variable forward contracts, equity swaps, collars, and exchange funds, or otherwise engaging in transactions that hedge or offset, or are designed to hedge or offset, any decrease in the market value of our equity securities. All such transactions involving our equity securities, whether such securities were granted as compensation or are otherwise held, directly or indirectly, are prohibited.

Insider Trading Compliance Policy

Our Insider Trading Policy governs the purchase, sale and other dispositions of the Company's securities and applies to all officers, directors and employees of the Company and its subsidiaries. We believe the policy is reasonably designed to promote compliance with insider trading laws, rules, and regulations. The Company also follows internal procedures for the repurchase of its securities. A copy of the Insider Trading Policy is attached as Exhibit 19.1 to our Annual Report on Form 10-K for the fiscal year ended December 31, 2024.

Communications by Interested Parties

Any Company stockholder or other interested party who desires to communicate with our Board or non-management or independent members of our Board, may do so by addressing such communications to the intended recipient by name or position in care of: TKO Group Holdings, Inc., to the attention of the Chief Legal Officer, 200 Fifth Avenue, 7th Floor, New York, New York 10010. The Chief Legal Officer will forward such communications to the appropriate party.

COMPENSATION COMMITTEE REPORT OF OUR DIRECTORS

EXECUTIVE COMPENSATION

Executive Summary

We believe that our unique business model gives us a competitive advantage in the industries in which we operate. To maintain such advantage across all of our segments, we believe it is imperative to retain key management whose skill sets are uniquely suited to our business model. As such, the retention and incentivization of our named executive officers was a key consideration of our compensation decisions in 2024. We believe our compensation in 2024 was representative of, and an appropriate award for, our financial and operational successes during that 2024 as described below.

2024 Financial and Operating Highlights

Fiscal year 2024 was a milestone period for us with several financial and operational achievements. We look forward to continuing to build on these significant achievements in 2025 and beyond. Of particular note were the following achievements:

Significant Increases in Revenue and Adjusted EBITDA.

 - UFC revenue increased by \$114.0 million, or approximately 9%. This increase was primarily driven by \$55.1 million of higher sponsorship revenue from new sponsors and increases in fees from renewals, as well as \$52.5 million of greater live event revenue driven by higher attendance and higher site fee revenues primarily from events that took place in Newark, New Jersey, Salt Lake City, Utah, Riyadh, Saudi Arabia, and Abu Dhabi as compared to the prior year. This increase also includes \$8.8 million of increased media rights and content revenue.
 - WWE contributed revenue of \$1,398.1 million for the period from January 1, 2024 through December 31, 2024. This revenue was primarily driven by \$616.0 million of increased media rights and content revenue primarily associated with domestic and international rights fees for WWE's flagship programs, *Raw*, *SmackDown* and *NXT*, as well as Premium Live Event programming. This revenue increase was also driven by \$250.8 million of greater live event revenue site fees associated with certain international premium live events compared to the prior year, \$83.5 million of increased consumer products licensing related to the sale of WWE-branded products, and \$65.0 million of higher sponsorship revenue from the sale of advertising.
- Adjusted EBITDA increased by \$442.1 million, or 54.6%, to \$1,251.2 million for the year ended December 31, 2024 compared to the year ended December 31, 2023.
 - UFC Adjusted EBITDA increased by \$45.3 million, or 6.0%, to \$801.0 million for the year ended December 31, 2024 compared to the year ended December 31, 2023.
 - WWE Adjusted EBITDA increased by \$518.1 million, or 317.9%, to \$681.1 million for the year ended December 31, 2024.
 - Corporate Adjusted EBITDA for the year ended December 31, 2024 decreased by \$121.3 million, or 110.7%, compared to the year ended December 31, 2023.

Noteworthy Strategic Activity.

- In January 2024, we announced a partnership between WWE and Netflix, pursuant to which, beginning in January 2025, Netflix is now the exclusive new home of *Raw* in the U.S.,

Canada, U.K. and Latin America, among other territories, with additional countries and regions to be added over time. Likewise, as part of the agreement, Netflix will also become the home for all WWE shows and specials outside the U.S., as available, inclusive of *Raw* and WWE's other weekly shows—*SmackDown* and *NXT*—as well as the company's Premium Live Events, including *WrestleMania*, *SummerSlam* and *Royal Rumble*. This partnership secures WWE content distribution with a premium partner under a long-term arrangement.

- In April 2024, *WrestleMania XL* was the highest-grossing event in WWE history.
- In May 2024, we announced our partnership with Riyadh Season, which brought UFC Fight Night to Riyadh on February 1, 2025. Riyadh Season also sponsored UFC 306, which was the first UFC event held at Sphere in Las Vegas, Nevada.
- In October 2024, we announced our acquisition of IMG, On Location and Professional Bull Riders from subsidiaries of Endeavor Group Holdings, Inc., which subsequently closed in February 2025. This acquisition strengthens our portfolio of world-class IP and capabilities, helping TKO further capitalize on the momentum of the growing sports and entertainment ecosystem.

The effective leadership of our named executive officers was critical to our success in achieving these financial results and strategic activity milestones and, as a result, was a key factor when establishing incentive compensation levels and determining the compensation for our named executive officers for 2024, as further described below.

For a reconciliation of the differences between Adjusted EBITDA and the most directly comparable financial measure calculated and presented in accordance with generally accepted accounting principles in the United States ("GAAP") and the reasons why our management believes that presentation of Adjusted EBITDA provides useful information regarding our financial condition and results of operations, see Part II, Item 7, "Management's Discussion and Analysis of Financial Condition and Results of Operation—Non-GAAP Financial Measures" on pages 54 and 55 of our Annual Report.

Compensation Discussion and Analysis

This compensation discussion and analysis describes our executive compensation program for our named executive officers in respect of the period commencing on January 1, 2024 through December 31, 2024, which we refer to herein as “fiscal year 2024,” and includes a discussion of our compensation objectives and philosophy and provides context for the compensation actions reflected in the tabular disclosure that follows.

Our named executive officers for fiscal year 2024 were as follows:

| Name | Age | Title |
|------------------|-----|--|
| Ariel Emanuel | 64 | Executive Chair and Chief Executive Officer ⁽¹⁾ |
| Andrew Schleimer | 47 | Chief Financial Officer |
| Mark Shapiro | 55 | President and Chief Operating Officer |
| Seth Krauss | 54 | Chief Administrative Officer & Senior Counsel to the Board of Directors and Senior Management ⁽²⁾ |

(1) Mr. Emanuel was appointed as Executive Chair of our Board in February 2024.

(2) Mr. Krauss initially served as Chief Legal Officer and was appointed Chief Legal and Administrative Officer on January 12, 2024. Effective January 1, 2025, Mr. Krauss was named Chief Administrative Officer & Senior Counsel to the Board of Directors and Senior Management.

Compensation Objectives and Philosophy

Our compensation structure is intended to promote a pay-for-performance approach and includes elements designed to align the interests of our named executive officers with those of our stockholders, motivate our named executive officers to achieve or exceed our targeted financial and strategic performance objectives and reward them for their achievements when those objectives are met. To help achieve these objectives, a meaningful portion of our named executive officers’ compensation is at-risk and provided in the form of both short-term variable or performance-based compensation and equity awards, the value of which is tied to the equity appreciation of our business. Further, our named executive officers’ involvement in and support of key strategic activity is considered when making determinations of any discretionary cash bonus awards.

The overall level of total compensation for our named executive officers is intended to be competitive with the compensation paid to executives in the industries in which we compete for talent, subject to variation for factors such as the individual’s experience, performance, duties and scope of responsibilities, prior contributions and future potential contributions to our business. Our compensation plans are designed to align with our business strategies, taking into account external market conditions. With these principles in mind, we structure our compensation program to offer competitive total pay packages that we believe enabled us to attract a strong new leadership team in connection with the TKO Transactions and will enable us to retain and motivate the team, and to ensure its stability, which is vital to the success of our business.

Setting Executive Compensation

Compensation from the Company for Mr. Emanuel is recommended by our Compensation Committee of the Board, and thereafter approved by our Board (taking into account his employment agreement). As to compensation from the Company for Messrs. Shapiro, Schleimer and Krauss, target amounts were set by our Compensation Committee (taking into account their employment agreements), with the actual cash compensation amounts determined by Mr. Emanuel and actual equity compensation amounts recommended by Mr. Emanuel and approved by our Compensation Committee. The Board, Compensation Committee or applicable delegate authorized to review and/or approve compensation matters is herein referred to as the “Governing Body.” The Governing Body consults with management from time to time on compensation-related decisions (including annual bonus determinations).

In fiscal year 2024, the Compensation Committee engaged Pay Governance to provide market data for comparable positions in connection with making recommendations to the applicable Governing Body regarding certain aspects of the executive compensation for our named executive officers. In May 2024, Pay Governance used market data to update the peer group, based on a media and entertainment industry-specific (media and live event/experience) companies. As there are few direct competitors in live sports operating as independent public companies, the peer group was developed to include companies featuring business focuses similar to TKO, including: sports and entertainment; live events; content creation and distribution; and licensing and partnerships that create significant value. Also, the peer group was developed to include, where possible, companies with similar high-value characteristics as TKO (e.g., comparable Market Cap, EBITDA, or Market Cap-to-Revenue ratio). As a result, the peer group includes several companies with larger revenues than TKO. The limited number of direct competitors and TKO's premium valuation and strong profit profile suggested defining a peer set strictly based on revenue was inappropriate. The Company utilized this data as a broad frame of reference to evaluate competitiveness of its executive compensation structure and to determine the annual bonuses in respect of fiscal year 2024 and compensation for fiscal year 2025. The peer group used by Pay Governance and considered by the Governing Body included the following companies:

| Company | Ticker |
|---|-----------------------------------|
| AMC Networks, Inc. | AMCX |
| DraftKings Inc. | DKNG |
| Churchill Downs Incorporated | CHDN |
| Electronic Arts Inc. | EA |
| Fox Corporation | FOXA |
| iHeartMedia, Inc. | IHRT |
| Liberty Media Corporation | FWONA, FWONK, LSXMA, LLYVA, LLYVK |
| Lions Gate Entertainment Corp. | LGF.A |
| Live Nation Entertainment, Inc. | LYV |
| Madison Square Garden Entertainment Corp. | MSGE |
| Madison Square Garden Sports Corp. | MSGS |
| Paramount Global ⁽¹⁾ | PARA |
| Roku, Inc. | ROKU |
| Sirius XM Holdings Inc. | SIRI |
| Sphere Entertainment Co. | SPHR |
| Take-Two Interactive Software, Inc. | TTWO |
| Warner Bros. Discovery, Inc. ⁽¹⁾ | WBD |

(1) These companies, each with revenues of \$30 billion or more, were excluded for purposes of market analyses because they are significantly larger than TKO. They were used only for plan design purposes.

In addition to the peer group referenced above, the Compensation Committee also reviewed pay levels from larger companies in the entertainment industry to ensure a full understanding of the competitive landscape for talent. These companies included Comcast, Disney and Netflix.

In fiscal year 2024, in setting an individual named executive officer's compensation package and determining the relative allocation among different elements of compensation, the applicable Governing Body, with the consultation of our compensation consultants and/or management where appropriate, considers several factors, including, but not limited to:

- the scope of each named executive officer's role and responsibilities;
- each named executive officer's knowledge, skills, experience, qualifications and tenure;

- our performance against financial, operational and strategic objectives;
- the size and mix of each element that forms the total compensation that may be awarded, including salary, annual cash bonus and equity-based incentives;
- the alignment of the pay package for a specific named executive officer as compared to the compensation levels of comparable executives within our organization; and
- prevailing conditions in the market for executive talent.

The compensation of our named executive officers will be reviewed at least annually by our applicable Governing Body. In addition, throughout the year, our applicable Governing Body may review changes in our business, market conditions and the scope of the executive officers' roles, as well as the roles of all members of the broader management team. Further, the applicable Governing Body may continue to consult with its compensation consultants and management (other than Mr. Emanuel as to his own compensation-related matters) from time to time on compensation-related decisions.

Compensation Practice Checklist

We have incorporated the following principles of good governance when making decisions on compensation for the named executive officers in fiscal year 2024.

- **No Section 280G or Section 409A Tax Gross-Ups:** We do not provide tax gross-ups in connection with our change in control or deferred compensation plans or programs.
- **No Supplemental Retirement Plans:** We do not maintain any supplemental retirement plans.
- **Insider Trading Policy:** Our Insider Trading Policy governs the purchase, sale and other dispositions of the Company's securities and applies to all officers, directors and employees of the Company and its subsidiaries. We believe the policy is reasonably designed to promote compliance with insider trading laws, rules, and regulations. The Company also follows internal procedures for the repurchase of its securities. A copy of the Insider Trading Policy is attached as Exhibit 19.1 to our Annual Report on Form 10-K for the fiscal year ended December 31, 2024.

Base Salary

The base salary component of our compensation program is intended to provide a stable level of compensation to each named executive officer commensurate with the named executive officer's role, experience and duties. The base salary of each named executive officer was initially established in his applicable employment agreement. Subject to any obligation under the employment agreement, however, the applicable Governing Body establishes the base salary levels for our named executive officers based upon consideration of several factors, including: (1) the named executive officer's performance in the preceding fiscal year; (2) the anticipated contribution by the named executive officer in the upcoming fiscal year, taking into account the role, responsibility and scope of each position; (3) any extraordinary changes that have occurred (such as a significant change in responsibilities or a promotion); (4) general economic conditions and market data; and (5) the value and potential value to the named executive officer of the other elements of our compensation program. No single factor is disproportionately weighted and all of the above considerations are addressed collectively in the determination of the named executive officer's base salary level.

The annual base salary rates of our named executive officers, as of December 31, 2024, are set forth in the table below. The amounts in the Summary Compensation Table reflect the actual amount paid or allocable to them during fiscal year 2024.

| Fiscal Year 2024 Annual Base Salary Rate (as of December 31, 2024) | |
|---|-----------|
| Name | (\$) |
| Ariel Emanuel | 3,000,000 |
| Andrew Schleimer | 2,000,000 |
| Mark Shapiro | 4,000,000 |
| Seth Krauss | 2,000,000 |

Annual Cash Bonuses

Our named executive officers were provided with the opportunity to earn cash bonuses with respect to fiscal year 2024. Such bonuses were intended to encourage the achievement of our company performance objectives and to reward our named executive officers based on individual performance and contribution to our success.

Ariel Emanuel. As set forth in Mr. Emanuel's employment agreement, for fiscal year 2024, Mr. Emanuel was eligible to receive a bonus with a target bonus opportunity of \$7,000,000. The attainment of the annual bonus is based on the achievement of a performance metric to be mutually agreed upon between Mr. Emanuel and the Governing Body and was calculated in accordance with the terms of his employment agreement (as described below). For fiscal year 2024, the Governing Body determined that Adjusted EBITDA would be the performance metric applicable for his 2024 annual bonus. The target Adjusted EBITDA goal for 2024 was \$1.170 million (which would have resulted in a payout of 100% of his individual target bonus) while the maximum Adjusted EBITDA goal was \$1.287 million (which would have resulted in a payout of 125% of his individual target bonus). Results between each performance level are interpolated based on a straight-line interpolation. In January 2025, the Governing Body (other than Mr. Emanuel) confirmed that TKO's actual Adjusted EBITDA was \$1.251 million for 2024, which represents 107% of the targeted Adjusted EBITDA and therefore, Mr. Emanuel was entitled to receive an annual bonus of \$8,210,000 (approximately 117% of his target bonus) under the financial performance component of his annual bonus. In addition, taking into account, among other things, his contributions to the Company's overall performance and fiscal year 2024's strategic activity, as described in the section above titled "2024 Financial and Operating Highlights," the Governing Body determined that Mr. Emanuel should receive an additional bonus in the amount of \$4,290,000.

Mark Shapiro. As set forth in Mr. Shapiro's employment agreement, for fiscal year 2024, Mr. Shapiro was eligible to receive an annual performance bonus, with a target bonus opportunity of \$6,000,000. Mr. Emanuel determined that for fiscal year 2024, Mr. Shapiro's bonus would be determined taking into account Adjusted EBITDA as the primary consideration, resulting in a bonus payment of \$7,500,000. In addition to the annual performance bonus, taking into account, among other things, Mr. Shapiro's contributions to the Company's overall performance and fiscal year 2024's strategic activity, as described in the section above titled "2024 Financial and Operating Highlights," Mr. Emanuel determined that Mr. Shapiro should receive a discretionary bonus in the amount of \$700,000.

Andrew Schleimer. As set forth in Mr. Schleimer's employment agreement, for fiscal year 2024, Mr. Schleimer was eligible to receive an annual performance bonus, with a target bonus opportunity of \$2,000,000. Mr. Emanuel determined that for fiscal year 2024, Mr. Schleimer's annual performance bonus would be determined taking into account Adjusted EBITDA as the primary consideration, resulting in a bonus payment of \$2,500,000. In addition to the annual performance bonus, taking into account, among other things, Mr. Schleimer's contributions to the Company's overall performance and fiscal year 2024's strategic activity, as described in the section above titled "2024 Financial and Operating Highlights," Mr. Emanuel determined that Mr. Schleimer should receive a discretionary bonus in the amount of \$1,750,000.

Seth Krauss. As set forth in Mr. Krauss' employment agreement, for fiscal year 2024, Mr. Krauss was eligible to receive an annual performance bonus, with a target bonus opportunity of \$2,000,000. Mr. Emanuel determined that for fiscal year 2024, Mr. Krauss' annual performance bonus would be determined taking into account Adjusted EBITDA as the primary consideration, resulting in a bonus payment of \$2,500,000. In addition, taking into account, among other things, Mr. Krauss' contributions to the Company's overall performance and fiscal year 2024's strategic activity, as described in the section above titled "2024 Financial and Operating Highlights," Mr. Emanuel determined that Mr. Krauss should receive a discretionary bonus in the amount of \$1,150,000.

The following table reflects the target bonus applicable for fiscal year 2024 and the actual amounts paid to the named executive officers:

| Name | Annual Bonuses | | | |
|------------------|--------------------------|--|---|---|
| | Annual Target Bonus (\$) | Actual Financial Performance Annual Bonus (a) (\$) | Actual Qualitative Discretionary Bonus (b) (\$) | Total Actual Annual Bonus Payout (a) + (b) (\$) |
| Ariel Emanuel | 7,000,000 | 8,210,000 | 4,290,000 | 12,500,000 |
| Andrew Schleimer | 2,000,000 | 2,500,000 | 1,750,000 | 4,250,000 |

As such, taking into account, among other things, Mr. Schleimer's contributions to the Company's overall performance and fiscal year 2024's strategic activity, as described in the section above titled "2024 Financial and Operating Highlights," in January 2025, Mr. Schleimer received 52,353 RSUs that vest in three equal annual installments on January 20, 2026, January 20, 2027 and January 20, 2028.

Furthermore, each such annual award is expected to be granted during the first fiscal quarter of the fiscal year following the fiscal year to which such annual award relates.

One-time awards granted in 2024.

In connection with their entry into new employment agreements with the Company, on January 21, 2024, some of our named executive officers received additional equity awards. Mr. Shapiro received 252,749 RSUs that vest in four equal installments on December 31, 2024, December 31, 2025, December 31, 2026, and December 31, 2027, and on January 12, 2024, Mr. Krauss received 39,109 RSUs that vest in four equal installments on December 31, 2024, December 31, 2025, December 31, 2026 and December 31, 2027. The employment agreements for Messrs. Shapiro and Krauss provides that certain unvested portions of these equity awards will accelerate and vest upon certain terminations of employment or a Change in Control as described below under "Potential Payments upon Termination of Employment or Change in Control—Equity Vesting."

Severance Protection

We have entered into employment agreements with each of our named executive officers that provide for certain severance payments and benefits if an executive's employment is terminated under specified conditions. In addition, the vesting of a portion of the equity awards accelerates in connection with qualifying terminations of employment. We believe that these severance benefits are appropriate to remain competitive in our executive retention efforts, recognizing that such benefits are commonly offered by employers competing for similar executive talent. See "Potential Payments upon Termination of Employment or Change in Control" below for additional information.

Employee Benefits and Perquisites

We provide a number of benefit plans to all eligible employees, including our named executive officers. These benefits include programs such as medical, dental, life insurance, business travel accident insurance, short- and long-term disability coverage and a 401(k) defined contribution plan (including a company matching contribution). We do not maintain any defined benefit pension plans or any nonqualified deferred compensation plans. For fiscal year 2024, Messrs. Shapiro and Krauss did not participate in our benefit plans and rather received such entitlement through their employment with Endeavor Group Holdings, Inc. and subsidiaries of Endeavor Group Holdings, Inc. For fiscal year 2024, Messrs. Emanuel and Schleimer participated in our benefit plans.

While perquisites help to provide our named executive officers a benefit with a high perceived value at a relatively low cost, we do not generally view perquisites as a material component of our executive compensation

program. Perquisites we provide to our named executive officers include guest travel on business-related trips on aircraft owned by Endeavor Group Holdings Inc. and use of Company-leased housing for certain business-related travel. The material perquisites received by our named executive officers in fiscal year 2024 are described below.

The aggregate incremental cost of such perquisites in fiscal year 2024 is included in the “All Other Compensation” column of the Summary Compensation Table below. Each of Messrs. Emanuel, Schleimer, Shapiro and Krauss is subject to an aircraft time-sharing agreement with a subsidiary of Endeavor Group Holdings, Inc., pursuant to which he reimburses such subsidiary for the incremental costs associated with personal flights and because such subsidiary is so reimbursed by the named executive officer for such use, there is no aggregate incremental cost to us for such flights. To the extent, however, that guests accompany our named executive officers on Company business-related flights on aircraft owned by Endeavor Group Holdings, Inc., the incremental cost of such travel, calculated on a cost-per-mile basis based upon the variable costs of the flight, including fuel, variable maintenance and ground transportation, is included. For purposes of calculating incremental costs of guest travel, we also included the incremental costs of any deadhead flights, or portions thereof, made in connection with such travel. In addition, each of our named executive officers may utilize Company-leased housing for business related travel to UFC’s office in Las Vegas, subject to availability and for which there is no aggregate incremental cost to us.

In the future, we may provide additional or different perquisites or other personal benefits in limited circumstances, such as where we believe doing so is appropriate to assist a named executive officer in the performance of his duties, to make our named executive officers more efficient and effective and for recruitment, motivation and/or retention purposes.

Clawback Policy

We have instituted a clawback policy in accordance with the NYSE’s final rules implementing the incentive-based compensation recovery provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act, effective October 2, 2023, to support a culture of focused, diligent and responsible management that discourages conduct detrimental to our growth. The policy applies to each person who serves as an executive officer of the Company, as defined in Rule 10D-1(d) under the Exchange Act, which include our named executive officers (each, a “covered employee”). In the event of a qualifying financial restatement, a covered employee will be required to forfeit erroneously awarded incentive compensation to the Company to the extent required under applicable law. Certain employees who are not covered employees are also subject to a separate clawback policy, which allows us to recover incentive compensation in similar circumstances.

Risk Assessment of Incentive Compensation Plans

We have reviewed our employee compensation policies, plans and practices to determine if they create incentives or encourage behavior that is reasonably likely to have a material adverse effect on the Company and its subsidiaries and we believe that there are no unmitigated risks created by our compensation policies, plans and practices that create incentives or encourage behavior that is reasonably likely to have a material adverse effect on the Company.

Equity Grant Timing

We do not time equity awards in coordination with the release of material non-public information or take into account material non-public information when determining the terms of equity awards.

Additionally, any unvested portion of Mr. Emanuel's equity awards that is subject solely to vesting based on continued service will accelerate and vest upon a Change of Control (as defined in the 2023 Incentive Plan), subject to Mr. Emanuel's continued service through the consummation of such Change in Control.

Mark Shapiro

If Mr. Shapiro's employment is terminated by the Company without cause or due to a resignation for good reason prior to the end of his employment term, or if Mr. Shapiro's employment is terminated by TKO without cause in connection with an Employer Non-Renewal, any unvested portion of Mr. Shapiro's equity awards that are subject to vesting based on continued service will accelerate and vest in full. If Mr. Shapiro terminates his employment for any reason within 30 days following the end of the term of his employment agreement for any reason other than an Employer Non-Renewal, as long as (a) at the time of such termination, TKO has not terminated Mr. Shapiro for cause and (b) Mr. Shapiro continues to provide services to TKO through the thirtieth day following the end of the term of his employment agreement, the unvested portion of Mr. Shapiro's equity awards that is subject to vesting based on continued service that would have become vested had Mr. Shapiro remained employed for six months following termination, will accelerate and vest in full. Additionally, any unvested portion of Mr. Shapiro's equity awards that is subject solely to vesting based on continued service will accelerate and vest in full upon a Change of Control (as defined in the 2023 Incentive Award Plan), subject to Mr. Shapiro's continued service through the consummation of such Change of Control. Further, to the extent the Governing Body determines that any annual equity awards subject to vesting based on

performance goals cannot be equitably adjusted in connection with a Change of Control, such awards shall also accelerate and vest in full upon a Change of Control (based on actual or target performance as determined by the Governing Body), subject to Mr. Shapiro's continued service through the consummation of such Change of Control.

Andrew Schleimer

If Mr. Schleimer's employment is terminated by the Company without cause or due to a resignation for good reason prior to the end of his employment term, or if Mr. Schleimer's employment is terminated by the Company without cause in connection with an Employer Non-Renewal, any unvested portion of Mr. Schleimer's equity awards that are subject solely to vesting based on continued service will accelerate and vest in full.

Seth Krauss

If Mr. Krauss's employment is terminated without cause or due to a resignation for good reason prior to the end of his term, or if Mr. Krauss's employment is terminated by the Company without cause in connection with an Employer Non-Renewal, any unvested portion of Mr. Krauss's equity awards that are subject solely to vesting based on continued service will accelerate and vest in full.

Definitions of "Cause," "Good Reason" and "Employer Non-Renewal"

For purposes of Mr. Emanuel's employment agreement and equity awards, "cause" generally means: Mr. Emanuel's (i) conduct constituting embezzlement, fraud, or material misappropriation, whether or not related to his employment with the Company, in each case that results in material harm to the Company or its subsidiaries; (ii) conviction of a felony, whether or not related to his employment with the Company; (iii) conduct constituting a financial crime, material act of dishonesty or material unethical business conduct, involving the Company or any of its subsidiaries, in each case that results in material harm to the Company or any of its subsidiaries; (iv) unauthorized disclosure or use of confidential information or material breach of the provision of his employment agreement providing for assignment of intellectual property, in each case that results in material harm to the Company or any of its subsidiaries; (v) material and knowing breach of any applicable restrictive covenants set forth in any agreement between Mr. Emanuel and the Company or any of its subsidiaries; or (vi) willful and material breach of any other material obligation under his employment agreement, in each case that results in material harm to the Company or any of its subsidiaries.

For purposes of Messrs. Shapiro's, Schleimer's and Krauss's employment agreements and equity awards, "cause" generally means: the named executive officer's (i) conduct constituting embezzlement, fraud, or material misappropriation, whether or not related to the named executive officer's employment with the Company; (ii) conduct constituting a felony, whether or not related to the named executive officer's employment with the Company; (iii) conviction or indictment of a financial crime, material act of dishonesty or material unethical business conduct; (iv) unauthorized disclosure or use of confidential information or material breach of provision of his employment agreement providing for assignment of intellectual property, in each case that results in material harm to the Company or any of its subsidiaries; (v) material breach any applicable restrictive covenants set forth in any agreement between the named executive officer and the Company or any of its subsidiaries; (vi) material breach of any other material obligation under the named executive officer's employment agreement; (vii) material violation of the Company's written policies that is detrimental to the best interests of the Company or any of its subsidiaries; (viii) use of alcohol or drugs that materially interferes with the performance of the named executive officer's duties; or (ix) conduct that brings the named executive officer or the Company or any of its subsidiaries into public disrepute, scandal, contempt or ridicule that shocks, insults or offends a substantial portion or group of the community or reflects unfavorably on the named executive officer, the Company or any of its subsidiaries.

For Mr. Emanuel, "good reason" means the occurrence of, without Mr. Emanuel's consent, (i) a material diminution of his duties, responsibilities or authorities as chief executive officer (including any

requirement that Mr. Emanuel report to someone other than the Board), (ii) the assignment of duties inconsistent with Mr. Emanuel's position, (iii) the material breach by the Company of any terms under Mr. Emanuel's employment agreement, (iv) the relocation of Mr. Emanuel's principal place of employment outside of the Los Angeles Metropolitan area or (v) the failure of the Company to obtain the assumption in writing of its obligations under Mr. Emanuel's employment agreement by any successor to all or substantially all of the assets of the Company.

For Mr. Shapiro, "good reason" means, the occurrence of, without Mr. Shapiro's consent, the material breach by the Company of any terms under Mr. Shapiro's employment agreement (including Mr. Shapiro's ceasing to report directly to Mr. Emanuel as Chief Executive Officer, except in the event of the termination of Mr. Emanuel's employment as a result of Mr. Emanuel's death or disability).

For Mr. Schleimer, "good reason" means, the occurrence of, without Mr. Schleimer's consent, the material breach by the Company of any terms under Mr. Schleimer's employment agreement. Notwithstanding the foregoing, if Mr. Schleimer's employment is terminated without "cause" or due to a resignation for "good reason" prior to the end of his term and within two years following a "change of control" (as defined in the Company's 2023 Incentive Award Plan), he will be entitled to (i) payment of an amount equal to two times his annual base salary, payable during the period commencing on the date of termination and ending on the twelve month anniversary of the date of termination, and (ii) an amount equal to his target bonus for each calendar year commencing with the calendar year in which the date of termination occurs and ending on the twenty-four month anniversary of the date of termination (pro-rated for any partial year).

For Mr. Krauss, "good reason" means, the occurrence of, without Mr. Krauss's consent, the material breach by the Company of any terms under Mr. Krauss's employment agreement, including any requirement for Mr. Krauss to relocate his principal place of employment outside of New York County without Mr. Krauss's consent.

For Mr. Shapiro, "Employer Non-Renewal" means before the end of the term of the Agreement, TKO fails to give Mr. Shapiro a bona fide offer of renewal of his employment on terms that provide compensation that is substantially comparable to the compensation provided under the Agreement (excluding annual equity award with respect of fiscal year 2023 so long as such offer includes an initial equity award equal at least \$5,000,000, each as described above in "Employment Agreement with Mr. Shapiro"), and Mr. Shapiro's employment is then either timely terminated by TKO without cause or by Mr. Shapiro for any reason.

For Mr. Schleimer, "Employer Non-Renewal" means before the end of the term of Mr. Schleimer's employment agreement, the Company fails to give Mr. Schleimer a bona fide offer of employment that provides compensation that is substantially comparable to the annual cash and equity compensation provided under his employment agreement (excluding the Initial Equity Award), and Mr. Schleimer's employment is then either terminated by the Company without cause or by Mr. Schleimer for any reason within the thirty day period following the end of the employment term.

For Mr. Krauss, "Employer Non-Renewal" means before the end of the term of Mr. Krauss's employment agreement, TKO fails to give Mr. Krauss a bona fide offer of renewal of his employment on terms that provide compensation that is substantially comparable to the compensation provided under the Agreement (excluding, for the avoidance of doubt, the Initial Equity Award), and Mr. Krauss's employment is then either timely terminated by TKO without cause or by Mr. Krauss for any reason.

Estimated Payments Upon Termination of Employment or Change in Control

The table below shows the severance payments and benefits that each named executive officer would receive upon (1) death or disability, (2) termination without cause or a resignation with good reason, (3) termination for cause or a resignation without good reason and (4) a change in control. The amounts are calculated as if the date of termination and change in control occurred on December 31, 2024.

CEO Pay Ratio

Under Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we are providing the following information regarding the relationship of the annual total compensation of our median-paid employee (“Median Employee”) to the annual total compensation of Mr. Emanuel, our Executive Chair and Chief Executive Officer. We consider the pay ratios specified below to be reasonable estimates, with the pay ratio in the first bullet below calculated in a manner that is intended to be consistent with the requirements of Item 402(u) of Regulation S-K. However, because these rules provide flexibility in determining the methodology, assumptions and estimates used to determine pay ratios, and given the fact that workforce composition differs significantly among companies, our pay ratio may not be comparable to the pay ratios reported by other companies. Further, none of our governing body or management has used our pay ratio for purposes of making any compensation-related decisions.

To identify the Median Employee, we defined “employee” as any full-time, part-time, seasonal or temporary individual employed and paid by the Company or any of our consolidated subsidiaries as of December 31, 2024. For purposes of identifying the Median Employee for fiscal year 2024, the Company utilized an identification date of October 1, 2024, rather than December 31, 2024. The Company selected the identification date for fiscal year 2024 due to availability of data and administrative convenience, taking into account employee integrations following various business acquisitions. In accordance with the provisions of Item 402(u) of Regulation S-K, we did not include workers employed, and whose compensation is determined, by a third party or independent contractors. We then calculated each employee’s annual cash compensation, our consistently applied compensation measure, using actual base salary or wages and actual bonus paid for the 12-month period ended December 31, 2024. For employees paid in local currencies, we converted their base salary and bonus into U.S. dollar amounts using an exchange rate as of December 31, 2024. In identifying the Median Employee, we annualized base salary or wages for all permanent full-time and part-time employees who did not work the full fiscal year 2024, but did not make any cost-of-living or other adjustments. Base salary or wages for temporary or seasonal employees was not annualized. We then sorted the employees (excluding our CEO) by their annual cash compensation to determine the median of annual cash compensation to all employees and, thereby, identified the Median Employee. We then calculated the Median Employee’s annual total compensation using the same methodology we used for our named executive officers (including our CEO) as set forth in the 2024 Summary Compensation Table.

For 2024:

- The annual total compensation of our Median Employee, calculated in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, was \$105,026 and the annual total compensation of our CEO, as reported in the Summary Compensation Table included above, was \$18,129,271.
- Therefore, the ratio of our CEO’s annual total compensation to the Median Employee’s annual total compensation was 173 to 1.

(3) The fair values of restricted stock units included in the CAP to our PEO and the Average CAP to our Non-PEO NEOs are calculated at the required measurement dates, consistent with the approach used to value the awards at the grant date as described in our Annual Report. Any changes to the fair values of our restricted stock units from the grant date are based on our updated stock price at the applicable measurement date. For the year presented, the increases or decreases in the year-end restricted stock unit fair value from the fair value on the grant date were affected by changes in the stock price. For additional information on the assumptions used to calculate the valuation of the awards, see Note 13 to our audited consolidated financial statements included in our Annual Report.

(4) Reflects the period from September 12, 2023, the date of consummation of the TKO Transactions, through the end of the applicable fiscal year.

(5) Adjusted EBITDA is a non-GAAP measure and is calculated from our audited financial statements as follows: net income, excluding income taxes, net interest expense, depreciation and amortization, equity-based compensation, merger and acquisition costs, certain legal costs, restructuring, severance and impairment charges, and certain other items when applicable. For a reconciliation of the differences between Adjusted EBITDA and the most directly comparable financial measure calculated and presented in accordance with GAAP, see Part II, Item 7. “Management’s Discussion and Analysis of Financial Condition and Results of Operation—Non-GAAP Financial Measures” on page 54 and 55 of our Annual Report.

Pay Versus Performance Relationships

Similar to reported compensation in the Summary Compensation Table, “Compensation Actually Paid” does not accurately represent the actual compensation that is or may be received by our named executive officers. However, this information may demonstrate the impact that TKO performance and stock price performance has on the value of incentives, and accordingly the alignment between total stockholder returns and pay.

Our applicable Governing Body does not consider compensation actually paid when making compensation decisions for the named executive officers. See the Compensation Discussion & Analysis for a description of how our applicable Governing Body assesses the relationship between named executive officer pay and performance.

We maintain a policy pursuant to which each non-employee director (other than those who are appointed pursuant to the Governance Agreement and are not “Independent” thereunder) receives an annual director fee of \$107,000 as well as an additional annual fee of \$15,000 for service as the chair of the audit committee and an additional annual fee of \$21,000 for service (including as chair) on the audit committee, each earned on a quarterly basis. The policy provides for an additional annual fee of \$20,000 for service as the chair of the compensation committee and an additional annual fee of \$10,000 for service (including as chair) on the compensation committee, each earned on a quarterly basis, and an annual fee of \$15,000 for service as the chair of the nominating and corporate governance committee and an additional annual fee of \$7,500 for service (including as chair) on the nominating and corporate governance committee, each earned on a quarterly basis.

Each non-employee director will also receive an annual restricted stock unit award with a grant date value of \$182,000, calculated based on the average closing price (as reported on the applicable stock exchange on which shares of our Class A common stock are traded for the 20 trading days preceding the date of grant or, if such shares have been trading for less than 20 days, the number of days these shares have been trading preceding the date of grant), entitling them to receive shares of our Class A common stock upon vesting. Additionally, each non-employee director who was initially elected or appointed to the Board following the closing date received a grant of our Class A common stock with a grant date value, calculated based on the average closing price (as reported on the applicable stock exchange on which shares of our Class A common stock are traded for the 20 trading days preceding the date of grant or, if such shares have been trading for less than 20 days, the number of days these shares have been trading preceding the date of grant), equal to the product of \$182,000, and a fraction calculated as follows: (i) before our first annual shareholder meeting, the numerator of which is (x) the number of days between the closing date and the anticipated date of our first annual shareholder meeting (as determined by the Board) minus (y) the number of days in the period beginning on the date of the effective time and ending on such non-employee director’s start date, and the denominator of this fraction is the number of days in the period between the closing date and the anticipated date of our first annual shareholder meeting and (ii) following the our first annual shareholder meeting, the numerator of this fraction is (x) 365 minus (y) the number of days in the period beginning on the date of the annual shareholder meeting immediately preceding such non-employee director’s start date, and ending on such non-employee director’s start date, and the denominator of this fraction is 365.

Each equity grant will vest in full on the date of our annual shareholder meeting immediately following the date of grant, subject to the non-employee director continuing in service through such meeting date, and is further subject to accelerated vesting upon a change in control (as defined in the 2023 Incentive Award Plan).

Special Committee Compensation

In May 2024, the Company received an opportunity to engage with subsidiaries of Endeavor in a potential transaction to acquire such subsidiaries’ On Location, IMG and Professional Bull Riders businesses (the “Endeavor Asset Acquisition”) and the Board formed a special committee (the “Special Committee”) to evaluate the Endeavor Asset Acquisition. The Special Committee was composed of Messrs. Bynoe and Koonin and Meses. Tellem and Wheeler, each of whom is an independent and disinterested member of the Board with respect to the Endeavor Asset Acquisition. In recognition of the additional time and effort necessary to serve on the Special Committee, the Board approved additional cash compensation for each member of the Special Committee, consisting of an initial payment of \$150,000 and a monthly fee of \$20,000 (not to exceed \$250,000 per year) for service on the Special Committee. In addition, for his leadership role as chairman of such committee, Mr. Bynoe was awarded an additional cash fee of \$50,000.

Employee Compensation for Mr. Khan

Mr. Khan was not entitled to any compensation in respect of his services as director in fiscal year 2024. However, he was entitled to certain compensation in respect of his services as our employee in fiscal year 2024. Mr. Khan received an annual base salary for fiscal year 2024 equal to \$2,000,000. Mr. Khan, in his position as President of WWE, was also eligible to receive an annual bonus with target bonus opportunity equal to \$3,000,000. For fiscal year 2024, such bonus was determined taking into account Adjusted EBITDA for WWE as the primary, but not only, consideration, resulting in a bonus payment of \$ \$4,000,000. In addition, Mr. Khan also participated in certain of our benefit plans that are generally available to similarly situated employees in fiscal year 2024.

While perquisites help to provide our executives a benefit with a high perceived value at a relatively low cost, we do not generally view perquisites as a material component of our executive compensation program. Perquisites we provided to Mr. Khan during fiscal year 2024 included matching contributions and certain life insurance payments. The aggregate incremental cost of such perquisites for Mr. Khan in fiscal year 2024 is included in the “All Other Compensation” column of the “Compensation of Our Directors” Table above.

Independent Services Compensation for Mr. Johnson

On January 22, 2024, WWE entered into an Independent Services Contractor and Merchandising Agreement with Mr. Johnson and certain of his affiliates (the “Johnson Services Agreement”), pursuant to which Mr. Johnson agreed to provide to WWE certain promotional and other services. As consideration for Mr. Johnson’s services pursuant to the Johnson Services Agreement, and in respect of the intellectual property grants and licenses made by Mr. Johnson and his affiliates in connection therewith, Mr. Johnson received an award of restricted stock units in respect of Class A common stock, in an amount equal to \$30,000,007 (the “Johnson Equity Award”). Subject to certain forfeiture and acceleration events, the Johnson Equity Award will vest in equal monthly installments through December 31, 2025. For additional details regarding the Johnson Services Agreement, please see the section titled “Certain Transactions with Related Persons—Other Transactions” elsewhere in this Proxy Statement.

STOCK OWNERSHIP

The table below sets forth information with respect to the beneficial ownership of our Class A common stock and Class B common stock by:

- each person who is known to be the beneficial owner of more than 5% of the outstanding shares of any class or series of our capital stock;
- each of our directors and named executive officers; and
- all of our directors and executive officers as a group.

The amounts and percentages of Class A common stock and Class B common stock beneficially owned are reported on the basis of the regulations of the SEC governing the determination of beneficial ownership of securities. Under these rules, a person is deemed to be a beneficial owner of a security if that person has or shares voting power, which includes the power to vote or to direct the voting of such security, or investment power, which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days of April 17, 2025, provided that any person who acquires any such right with the purpose or effect of changing or influencing the control of the issuer, or in connection with or as a participant in any transaction having such purpose or effect, immediately upon such acquisition shall be deemed to be the beneficial owner of the securities which may be acquired through the exercise of such right. Under these rules, more than one person may be deemed to be a beneficial owner of the same securities.

The beneficial ownership of our voting securities is based on 81,739,666 shares of our Class A common stock and 116,158,615 shares of our Class B common stock, each issued and outstanding as of April 17, 2025. In computing the number of shares beneficially owned by an individual or entity and the percentage ownership of that person, shares of common stock subject to options, warrants or other rights held by such person that are currently exercisable or that will become exercisable or will otherwise vest within 60 days of April 17, 2025 are considered outstanding, although these shares are not considered outstanding for purposes of computing the percentage ownership of any other person.

Unless otherwise indicated, the address for each beneficial owner listed below is: c/o TKO Group Holdings, Inc., 200 Fifth Avenue, 7th Floor, New York, NY 10010.

CERTAIN TRANSACTIONS WITH RELATED PERSONS

Related Person Transactions Policies and Procedures

We have adopted a written Related Person Transaction Policy (the “Policy”), which sets forth our policy with respect to the review and approval or, ratification of all related person transactions. Under the Policy, related person transactions are to be reviewed and approved or ratified by (1) at least a majority of the “independent” directors (as defined in the Bylaws) and (2) either (i) a majority of the Company’s Board or (ii) the Chief Executive Officer. These approving bodies review the relevant facts and circumstances of the related person transaction as it deems necessary and advisable, including without limitation, whether the transaction is inconsistent with the interest of the Company and its stockholders and taking into account the Company’s organizational and governance documents. Certain types of transactions are deemed pre-approved pursuant to standing pre-approval guidelines established under the Policy.

A “related person transaction” is defined as, subject to certain exceptions as provided under Item 404(a) of Regulation S-K, any transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which the Company (including any of its subsidiaries) was, is or will be a participant, the amount involved exceeds \$120,000 and in which any related person (as defined in the Policy) had, has or will have a direct or indirect material interest.

In addition to the Policy, our Bylaws provide that, subject to specified exceptions, for so long as Endeavor Group Holdings, Inc. beneficially owns, directly or indirectly (including through its controlled affiliates), more than an aggregate of 20% of the voting power of the then-outstanding shares of capital stock of TKO, (x) prior to December 31, 2025, transactions between TKO Group Holdings, Inc. and Endeavor Group Holdings, Inc. (or its affiliates) must be approved by (i) a majority of the Board (including a majority of the WWE-designated directors or their successors) and (ii) a majority of the “independent” directors (as defined under the Bylaws), and (y) following December 31, 2025, such transactions must be approved by (i) a majority of the Board and (ii) a majority of the Board of director’s “independent” directors (as defined under the Bylaws).

Limited Liability Company Agreement of TKO OpCo

On September 12, 2023, Group Holdings, Inc., TKO OpCo and TKO Group Holdings, Inc. entered into the Limited Liability Company Agreement of TKO OpCo (the “TKO Operating Agreement”). The Company operates its business through TKO OpCo and its subsidiaries, in accordance with the terms of the TKO Operating Agreement. As sole managing member of TKO OpCo, TKO Group Holdings, Inc. has control over all of the affairs and decision-making of TKO OpCo. As such, TKO Group Holdings, Inc. is responsible for all operational and administrative decisions of TKO OpCo and the day-to-day management of TKO OpCo’s business. TKO Group Holdings, Inc. will fund any dividends to TKO Group Holdings, Inc. stockholders (if any) by causing TKO OpCo to make distributions to its equityholders, including TKO Group Holdings, Inc., subject to the limitations imposed by the TKO Operating Agreement.

The holders of common units of TKO OpCo, including TKO Group Holdings, Inc., will generally incur U.S. federal, state and local income taxes on their allocable share of any net taxable income of TKO OpCo. Net profits of TKO OpCo will generally be allocated to its members pro rata in accordance with the percentages of their respective ownership of equity interests in TKO OpCo, though certain non-pro rata adjustments may be made to reflect tax depreciation, amortization and other allocations as required under applicable law or as provided for in the TKO Operating Agreement. The TKO Operating Agreement provides for cash distributions to the holders of common units for purposes of funding their tax obligations in respect of the taxable income of TKO OpCo that is allocated to them (or otherwise generally provides for the TKO OpCo members to be provided with liquidity), subject to available cash and any negative covenants in applicable loan agreements. Generally, these tax distributions are calculated using an assumed tax rate equal to the highest marginal combined income tax rate applicable to an individual or corporation resident in Los Angeles, California or New York, New York (whichever rate is higher), taking into account the deductibility of applicable state and local income taxes for

U.S. federal income tax purposes and any limitations thereon, with the same assumed tax rate applicable to all TKO OpCo members. Distributions (including tax distributions) made in respect of common units are generally to be paid pro rata in respect of such common units.

The TKO Operating Agreement provides that, except as otherwise determined by TKO Group Holdings, Inc., if at any time TKO Group Holdings, Inc. issues shares of Class A common stock or any other equity or equity-linked security of TKO Group Holdings, Inc. entitled to any economic rights, TKO OpCo will then issue an equal amount of common units (or other security with corresponding economic rights) of TKO OpCo to TKO Group Holdings, Inc. Similarly, except as otherwise determined by TKO Group Holdings, Inc., TKO OpCo will not issue any additional common units to TKO Group Holdings, Inc. unless TKO Group Holdings, Inc. issues or sells an equal number of shares of Class A common stock. Conversely, except as otherwise determined by TKO Group Holdings, Inc., if at any time any shares of Class A common stock are redeemed, repurchased or otherwise acquired, TKO OpCo will redeem, repurchase or otherwise acquire an equal number of common units held by TKO Group Holdings, Inc. upon the same terms and for the same price per security, as the shares of Class A common stock are redeemed, repurchased or otherwise acquired. In addition, except as otherwise determined by TKO Group Holdings, Inc., TKO OpCo will not affect any subdivision (by any unit split, unit distribution, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse unit split, reclassification, reorganization, recapitalization or otherwise) of TKO OpCo Units unless it is accompanied by a substantively identical subdivision or combination of TKO Group Holdings, Inc. Common Stock.

Subject to certain exceptions, TKO OpCo will indemnify all of its members and their officers and other related parties against all losses or expenses arising from claims or other legal proceedings in which any such person (in its capacity as such) may be involved or become subject to in connection with TKO OpCo's business or affairs or the TKO Operating Agreement or any related document.

The TKO Operating Agreement provides that the members of TKO OpCo (other than TKO Group Holdings, Inc.) (or certain permitted transferees thereof) have the right from time to time, subject to certain restrictions, to cause TKO OpCo to redeem any or all of their common units (with the simultaneous redemption of shares of Class B common stock), in exchange for, at TKO Group Holdings, Inc.'s election (subject to certain exceptions), either cash (based on the market price of a share of Class A common stock) or shares of Class A common stock, and if such redemption is made in exchange for shares of Class A common stock, it shall be effected as a direct purchase by TKO Group Holdings, Inc. If, on the date of the applicable exchange notice, the aggregate amount of TKO Group Holdings, Inc.'s cash balance plus the aggregate amount of any loans by TKO Group Holdings, Inc. to TKO OpCo as permitted under TKO Group Holdings, Inc.'s cash management policy, in the aggregate, is in excess of \$100 million, any exchange may only occur 30 days following the giving of notice by a member of the TKO Operating Agreement.

Under the Governance Agreement, common units are subject to restrictions on transfer, which are more fully described in the section entitled "—Certain Restrictions on the EGH Subscribers and Endeavor" below.

Governance Agreement

On September 12, 2023, we entered into the Governance Agreement. On January 23, 2024, the parties amended the Governance Agreement to, among other things, increase the size of the Board from 11 to 13 directors and permit each of the former Executive Chair of our Board and the EGH Subscribers to appoint one additional director (as amended, the "Governance Agreement"). Pursuant to the Governance Agreement, the WWE Designees and the EGH Subscribers currently are entitled to certain director designation rights as further described below. The Governance Agreement also places restrictions on the EGH Subscribers' ability to affect certain actions.

Prior to our former Executive Chair's resignation from such position on January 26, 2024 (the "Executive Chair Sunset"), he was also entitled to certain director appointment rights under the Governance Agreement. As of the Executive Chair Sunset, our former Executive Chair no longer has the right to designate any directors of the Company, and his designation rights passed to the WWE Designees (acting by majority).

Designation rights with respect to the EGH Designees and the WWE Designees and other appointment provisions summarized below under “—Board Nominees” expire on the Sunset Date, and, other than certain provisions that will survive under the Governance Agreement, including those described below under “—Certain Restrictions on the EGH Subscribers and Endeavor Group Holdings, Inc.,” the Governance Agreement will terminate pursuant to its terms at 12:01 a.m., Eastern Time, on January 1, 2026, the day following the Sunset Date.

Board Nominees

Appointment Rights Held by WWE and the WWE Designees

WWE’s initial director designees or their successors, as applicable, are currently entitled to designate six WWE Designees. Until the Sunset Date, the slate of individuals nominated for election to the Board must include all six WWE Designees, at least three of whom must qualify as “independent” as defined under our Bylaws.

Appointment Rights Held by the EGH Subscribers

The EGH Subscribers are currently entitled to designate seven EGH Designees. Until the date on which Endeavor Group Holdings, Inc. no longer owns, directly or indirectly, more than 20% in the aggregate of the voting power of the then-outstanding shares of capital stock of TKO Group Holdings, Inc., the slate of individuals nominated for election to the Board must include all seven EGH Designees, at least three of whom must qualify as “independent” as defined under our Bylaws.

Other Appointment Provisions

Under the Governance Agreement, subject to the rights to designate a replacement as otherwise set forth therein, the Board has the right to designate nominees for election at annual stockholder meetings for, or to fill vacancies in, all director positions.

For so long as any nominating person has the right to designate an EGH Designee or a WWE Designee, in the event that (a) a vacancy is created at any time by the death, disability, retirement, resignation or removal of an EGH Designee or a WWE Designee or (b) an individual is disqualified by the Board or the nominating and corporate governance committee, then the applicable nominating person may designate another individual as its designee to either fill the applicable vacancy or be included on the slate of nominees to be recommended by the Board for election at its next meeting of the stockholders, and TKO Group Holdings, Inc. will take all necessary action within its control so that each replacement nominee is nominated and elected to the Board.

At any meeting convened before the Sunset Date at which directors are to be elected, the EGH Subscribers and each of their permitted transferees have agreed to vote all of their shares of Common Stock in favor of the election of the WWE Designees, and the EGH Subscribers and each of their permitted transferees have agreed to vote all of their shares of our Common Stock against any action taken in respect of the removal of any such WWE Designees from the Board. At any meeting of the stockholders of TKO Group Holdings, Inc. convened before the Sunset Date at which directors are to be elected, our former Executive Chair and each of his permitted transferees have agreed to vote all of their shares of our Common Stock in favor of the election of the EGH Designees and against any action taken in respect of the removal of any EGH Designee from the Board.

Certain Restrictions on the EGH Subscribers and Endeavor Group Holdings, Inc.

During the period beginning on the date of the execution of the Governance Agreement and ending on the two-year anniversary of the date of its execution, except for certain permitted transfers or transfer of shares of our Class A common stock or TKO OpCo common units at a price below the 30-day VWAP of shares of our Class A common stock (or other applicable principal security of TKO Group Holdings, Inc. from time to time), the EGH Subscribers will not transfer any (i) shares of our Class A common stock or (ii) TKO OpCo common

units without the approval of a majority of the WWE Designees. Following the two-year anniversary of the completion of the TKO Transactions, the EGH Subscribers will be permitted to transfer their shares of our Class A common stock or TKO OpCo common units, other than transfers that (A) would be at a price above the 30-day VWAP of shares of our Class A common stock (or other applicable principal security of TKO Group Holdings, Inc. from time to time) and (B) would result in any third party controlling 25% or more of the voting power or economic interests of TKO Group Holdings, Inc. or TKO OpCo, which transfers will require either (i) the approval of a majority of the WWE Designees or (ii) the acquiror in such a proposed transfer to make a pro rata offer on equivalent terms to all of the other securityholders of TKO Group Holdings, Inc. and TKO OpCo, as applicable.

Without the approval of a majority of the independent directors of our Board, Endeavor Group Holdings, Inc. and its controlled affiliates have agreed not to (a) acquire all of the outstanding equity interests in, or all or substantially all of the assets of, TKO Group Holdings, Inc. or TKO OpCo, (b) increase their direct or indirect beneficial ownership or economic or voting interests in TKO Group Holdings, Inc. or TKO OpCo above 75% of the then-current outstanding economic or voting interests of TKO Group Holdings, Inc. or TKO OpCo by virtue of additional acquisitions or (c) effect a sale of TKO Group Holdings, Inc. or TKO OpCo that would result in the receipt of a disproportionate “control premium” (or other disparate consideration) relative to other stockholders of TKO Group Holdings, Inc. (except for amounts explicitly and directly in respect of services contemplated by the 2023 Services Agreement).

During the period beginning on the date of the execution of the Governance Agreement and ending on the later of (i) the five-year anniversary of the completion of the TKO Transactions and (ii) the six-month anniversary of Endeavor Group Holdings, Inc. ceasing to hold or beneficially own, directly or indirectly (including through controlled affiliates) more than 20% (in the aggregate) of the voting power of the then-outstanding shares or capital stock of the Company, Endeavor Group Holdings, Inc. has agreed not to, and will cause its controlled affiliates (other than TKO OpCo and its subsidiaries) not to, (a) other than de minimis passive investments, acquire or invest in any professional wrestling league that is competitive with WWE or other professional mixed martial arts league that is competitive with UFC (acting alone or in concert with any person (including any other affiliates of Endeavor Group Holdings, Inc.)) or (b) represent (i) any professional wrestling league that is competitive with WWE, (ii) any athlete or wrestling talent in respect of their contractual relationship with TKO OpCo or any of its subsidiaries or (iii) any former wrestling talent of WWE in respect of their contractual relationship with any professional wrestling league that is competitive with WWE.

Asset Acquisition from Endeavor Group Holdings, Inc.

On October 23, 2024, the Company and TKO OpCo entered into a definitive agreement (as amended, the “EGH Transaction Agreement”) with subsidiaries of Endeavor Group Holdings, Inc. On February 28, 2025, in connection with our acquisition of the Transferred Businesses, we entered into a Trademark License Agreement with certain affiliates of Endeavor Group Holdings, Inc. pursuant to which we granted certain trademarks historically used in Endeavor Group Holdings Inc.’s and its subsidiaries’ businesses, including an exclusive license under certain trademarks containing “IMG.” Use of the licensed trademarks by Endeavor Group Holdings, Inc. and its affiliates and its sublicensees is subject to customary quality control measures. While there are no fees payable for the licenses granted pursuant to the Trademark License Agreement, Endeavor Group Holdings, Inc. is responsible for reimbursing us for certain costs of trademark filing, prosecution, maintenance and other related costs incurred in connection with the exclusively licensed trademarks.

Additionally, certain preexisting ordinary course commercial agreements involving the Transferred Businesses and Endeavor Group Holdings, Inc. or its affiliates are, following the consummation of such transaction, agreements between TKO Group Holdings, Inc. or its subsidiaries and Endeavor Group Holdings, Inc. or its other affiliates. HOUSEHOLDING

SEC rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and notices with respect to two or more stockholders sharing the same address by delivering a single proxy statement or a single notice addressed to those stockholders. This process, which is commonly referred to as “householding,” provides cost savings for companies and helps the environment by conserving natural resources. Some brokers household proxy materials, delivering a single proxy statement or notice to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or notice, or if your household is receiving multiple copies of these documents and you wish to request that future deliveries be limited to a single copy, please notify your broker. You can also request prompt delivery of a copy of this Proxy Statement and the Annual Report by contacting the Broadridge Financial Solutions, Inc. at (866) 540-7095 or in writing at Broadridge, Household Department, 51 Mercedes Way, Edgewood, New York 11717.
